

**MAIN FEATURES:**

- **600LBS holding force**
- **Fail-safe type**

**Features/specification**

- Power supply: DC 12V
- Options : Lock status sensor, timer and door status sensor.
- Holding Force : 600LBS.
- Fail-safe type (Power to lock).
- Low power consumption , high efficiency
- Operation current: 500mA@12V or 250mA@24V
- Fail-safe type (Power to lock).
- Weight: 2000g
- Dimension: 250mm(L) x 43mm(W) x 27mm(D)
